These stock banners are made single-sided with 1" polyester headings on the top and bottom lengths. The sides are hemmed using a standard 3/8" hem. Grommets are provided along the top and in each of the bottom corners, but can be set all around the banners for situations which warrant extra rigging. Please note that these are stock banner designs which are printed when you place your order; please allow 2-5 days plus transit time for delivery.

Design and color changes must be discussed and quoted as a custom banner. Contact us for info.
